

ISO 17100 and 9001:2015 audit passed successfully

12/2019: The translation agency STAR Servicios Lingüísticos has renewed its certifications according to the ISO 17100 (quality in translation services) and ISO 9001:2015 (quality management systems) standards.

STAR passed the follow-up audit without any non-conformities. The auditors were very impressed with the quality management system in place and the commitment of the entire team to continuous improvement.

“Passing the audit again with such a good result fills us with pride”, said Michael Scholand, CEO of STAR Servicios Lingüísticos. “The trust that so many clients have continued to place in our ability to deliver high-quality language services in 2019 is our greatest reward, but recognition from the audit body is the cherry on top after a very successful year.”
