

STAR at the MT Summit XV in Miami

The STAR Group will be present at this year's [Machine Translation Summit XV](#) at the Hyatt Regency Miami Hotel in Miami, Florida, from Friday, 30 October, to Tuesday, 3 November 2015. The MT Summit is hosted by the Association for Machine Translation in the Americas ([AMTA](#)) and will take place immediately prior to the American Translators Association (ATA) conference.

STAR MT and Transit NXT

In a technology showcase, STAR will present its own Moses-based statistical machine translation engine STAR MT, in combination with STAR's computer-assisted translation environment (translation memory), Transit NXT. Please find more information about the content of the technology showcase and the advantages of the combination of these two technologies here: <https://www.star-group.net/en/news-events-press/amta-2015.html>.
